THE GOLDRING FAMILY FOUNDATION is rooted in Jewish tradition and values. The Goldring Jewish Summer Camp Experience Incentive Program is a prime example. This program helps provide a first-time experience at Jewish sleepaway camp where children meet other Jewish boys and girls and savor the precious heritage of Jewish traditions while enjoying wholesome summer fun and sports activities. The generosity of the Goldring Family Foundation has provided this life-changing experience to more than 1,300 Jewish children since the program’s inception in 1999.
